

The lectures are held as part of the **“Global Markets, Sustainability and Digitalization”** course (in English).

All lectures are in co-teaching with prof. Francesca Spigarelli.

Students who participate in these lectures will obtain a **certificate of attendance** released by Eurasia Foundation and UniMC jointly, awarded in the final ceremony.

To obtain the certificate, it is mandatory to attend **75% of the sessions** and be **present at the final ceremony** at the end of the semester.
